

JOY CLASS

Grace United Methodist Church

The Joy Adult Sunday School Class has been in existence some thirty years. We, however, are always welcoming new members. Our members' ages run from the 40's to the 70's, yet our discussions are ageless, so all adult age groups will find us relevant.

We consider ourselves a Bible study class. This means we study and discuss the Bible, not only within the time frame of the Bible, but as to how the Bible and our faith impact our lives today. Recent class sessions considered "What does Jesus' resurrection mean to us?"

Our class uses dialogue to help bring understanding. You as a class participant would have an opportunity to ask questions and an opportunity to express your opinion in answer to questions by others. Our study brings us the knowledge of scholars as well as the experience of Christians around us.

Please walk into room 104 on the lower level any Sunday morning at 9:45 AM.
